*You are Invited to Renew or Join*

**Yes, YOU.**

***RENEW.*** If you were a member last year, now is the time to renew your membership. The membership form is the last page of the June newsletter or contact the membership team for a copy. Fill it out completely, enclose your check, and send it in.

***JOIN.*** If you have lived here fewer than 3 years and live within our boundaries this is the Club for you. Check out the website for details on who we are and what we do and contact Membership, as noted.

Having just celebrated our 50th anniversary, our new Board is looking forward to the next 50 years. June 1st has officially been declared as Dunwoody Newcomers Day by Lynn Deutsch, the Mayor of Dunwoody.

We are all hoping that this year the club will be able to provide many of the events and activities that we have missed the past two years. We are up and running and we need you to make this year a success. Our new board is willing, able, and ready to get to work and want all our members to be part of this process. We need all of you to help us reach our goals and to be successful in all endeavors. If anyone has any ideas for programs, new SIGs, field trips, etc., please contact any board member.

When you rejoin or join, volunteer for a group, luncheon committee, special events, or activities. Volunteering is the best way to be a member.

You get to work with friends and make new friends. You have fun.

You enjoy your DNC membership to the fullest.

Hopefully, the Covid pandemic is behind us, but we need to continue to be safe for our members. We hope that the coming year will bring more activity, increase our friendships, and be a healthy one for our members and their loved ones.
